

Women's Electoral Lobby SA Policy Platform

Thank you for agreeing to engage with the Women's Electoral Lobby SA on issues of relevance to and importance to the Women of South Australia. The seven listed priorities have been arrived at on the basis of matters raised with WEL-SA by women in a dedicated workshop for that purpose.

Please indicate your personal position on each priority by marking the appropriate adjacent square.

1 Pandemic recovery

Address the disproportionate impact on women and the reinforcement of gender

- I am not well informed/this is not a priority for me I am not well informed/I am interested in this issue
 I am well informed/this is a priority for me I am well informed/I am prepared to take action on this issue

With respect to this issue, how likely are you to initiate action (please tick box below)

- Unlikely Possibly Likely Very likely Certainly

2 Reducing and eliminating violence against women and children

- Mandatory sexual consent training in schools
- Increase funding and greater supports for domestic violence services; refuges and frontline services including prevention services and women's safety services
- Legislation to criminalise coercive control and stealthing
- Gain consistent definitions across all states and territories for domestic and family violence related legislation.
- Increased focus on preventing violence against women with disabilities and an Independent Authority to oversee services and policies
- Raise the age of criminal responsibility
- Public education programs on domestic and family violence
- First Nation focussed child protection policies that focus on supporting families
